

TICKET SALES: Breakdown of Fees

Our Ticketing Vendor and Credit Card Processors charge us fees for each ticket sold and each charge processed. As we are a non-profit organization, we pass these fees along to our patrons to keep our costs manageable, allowing us to perform more during the concert season, purchase the performance music, and more. We thank you for your support and your patronage of the Rogue Valley Symphonic Band.

Fee Structure Math:

Student Tickets: \$5.00 + \$1.35 service fee = \$6.35 x 4% credit card fee = \$0.254 (\$0.25) + \$0.30 transaction fee = \$0.55
\$1.35 + \$0.55 = \$1.90; Actual charge = \$6.90

Senior Tickets: \$15.00 + \$1.35 service fee = \$16.35 x 4% credit card fee = \$0.654 (\$0.65) + \$0.30 transaction fee = \$0.95
\$1.35 + \$0.95 = \$2.30; Actual charge = \$17.30

General Tickets: \$20.00 + \$1.35 service fee = \$21.35 x 4% credit card fee = \$0.854 (\$0.85) + \$0.30 transaction fee = \$1.15
\$1.35 + \$1.15 = \$2.50; Actual charge = \$22.50

If you combine a donation into your purchase, or order more than a single ticket, the numbers will be slightly different.

Donation Structure Math:

Example 1: \$5.00 donation x 4% = \$0.20 fee + \$0.30 transaction fee = \$0.50 fee to patron

Example 2: \$25.00 donation x 4% = \$0.80 fee + \$0.30 transaction fee = \$1.10 fee to patron

Example 3: \$250.00 donation x 4% = \$10.00 fee + \$0.30 transaction fee = \$10.30 fee to patron

All of the donation, fees included, is tax deductible per your receipt copy.
