

Rogue Valley Symphonic Band

Medford, Oregon

August 2007

Dear Band Director/Private Music Teacher,

Enclosed please find an announcement of the Rogue Valley Symphonic Band's fourth annual Young Artist Solo Competition.

While there are many of these types of competitions for students of orchestral instruments, very few are for students of band instruments. We want to offer this opportunity to school-aged students from Southern Oregon and Northern California.

Please feel free to duplicate the announcement and application form to distribute to interested students as well as other music teachers in your area. While we have attempted to identify all schools in about a dozen counties in Southern Oregon and Northern California, it is possible that we have missed a few, so we thank you for sharing this information with your music colleagues in both the public and private sectors.

Thank you for distributing these to students in your area, and please encourage them to apply.

Questions can be directed to the Young Artist Solo Competition Chair:

Shirley Donnelly
440 Greenbrae Drive
Medford, OR 97504

or via email at: rvsb-yasc@roguevalleysymphonicband.org.

Sincerely,

Board of Directors
Rogue Valley Symphonic Band
